

FY21 Perkins Application Options

April 30, 2020

1. Established Application Timeline

For districts who have the capacity, this option bypasses any COVID-19 related deviations and views FY21 as a normal grant year. Districts with the All-In-One, CLNA, and Annual Update completed on schedule by July 1, 2020, would be able to obligate funds beginning on that date.

- ☐ Completed All-In-One form with FY20 data (submitted by June 15, 2020)
- ☐ Completed CLNA (submit CLNA Results form by June 30, 2020)
- ☐ Completed Four-Year Plan and Local Application form (submit by September 30, 2020)
- ☐ Completed Annual Update in GMS (through Authorized Representative Approved by June 30, 2020)
- ☐ Hold Advisory Committee meeting (can be virtual or via distance) for consultation on CLNA and Four-Year plan (by June 30 for upload to Annual Update in GMS)

2. Substantially Approvable Application – June 30, 2020 Deadline

For districts who are able to complete parts of the CLNA and the Four-Year Plan and Local Application before June 30, 2020, but need extra time to fully complete these pieces. A substantially approvable application enables districts to obligate FY21 funds before the application is fully submitted and approved.
